SUMMARY

Motivated Electronic Engineering Technology (Communication and Computer) student currently in the final semester at Universiti Tun Hussein Onn Malaysia. Experienced in academic and technical projects involving communication systems, embedded systems, and computer networking. Skilled in circuit design, microcontroller programming, and basic networking tasks. Preparing to undergo industrial training in the upcoming semester and seeking an internship opportunity to gain practical experience and further develop my technical skills.

EDUCATION

Universiti Tun Hussein Onn Malaysia

Bachelor of Electronic Engineering Technology
(Communication and Computer)

Oct 2022 - Present

Polytechnic Sultan Mizan Zainal Abidin

Diploma in Information Technology
• CGPA 3.38/4.00

June 2018 - May 2022

CERTIFICATE

Google - Introduction to AI

Oct 2025

STM32 Programming Certified (Beginner)

June 2024

PROJECT EXPERIENCE

RFID-Based Library Management System For Automated Book Tracking And Enhanced Security

Johor , Malaysia

Final Year Thesis

March 2025 - Present

- Developed an RFID system for real-time, automated tracking of books in the library.
- Created a centralized database to manage book and user records efficiently.
- Implemented RFID-based authentication for secure and seamless check-in/check-out processes.

Project Member | Universiti Tun Hussein Onn Malaysia (UTHM)

January 2024

- Built an autonomous mobile robot using an embedded system platform.
- Integrated sensors for accurate line tracking and object detection.
- Programmed motor control and sensor functions using Arduino.
- Improved overall path accuracy, detection performance, and system stability.

WORKING EXPERIENCE

Sales Assistant

BSSE Computer Centre

August 2021 - December 2021

- Assisted customers with hardware and software selection, providing clear guidance to support informed purchases.
- Managed POS transactions and inventory tasks, ensuring accurate sales processing and organized stock control.

SKILLS

- Microsoft Word : Excellent
- Microsoft Excel : Intermediate
- Microsoft Powerpoint : Intermediate
- AutoCad : Basic
- Soft Skills : Problem Solver, Adaptability, Decision Making, Multitasking
- Basic Technical Skills : C++, CST Studio Suite, Circuit Design, Arduino IDE, Digital Electronics
- Languages : Malay (Native), English (Proficient)
